

Coast Guard, DHS

§ 12.15-3

either is required by law; *provided*, however, that, when the holder documented as an able seaman has to be certificated as either proficient in survival craft and rescue boats or proficient in fast rescue boats, he or she shall hold an endorsement under the STCW (incorporated by reference in § 12.01-3).

[CGD 95-062, 62 FR 34537, June 26, 1997; CGD 95-062, 62 FR 40140, July 25, 1997, as amended by USCG-1999-5610, 67 FR 66069, Oct. 30, 2002]

§ 12.10-9 Certificates of proficiency in fast rescue boats.

(a) Each person engaged or employed as a lifeboatman proficient in fast rescue boats shall hold either a certificate of proficiency in these boats or a merchant mariner's document endorsed for proficiency in them.

(b) To be eligible for either a certificate of proficiency in fast rescue boats or a merchant mariner's document endorsed for proficiency in them, an applicant shall—

(1) Be qualified as a lifeboatman with proficiency in survival craft and fast rescue boats under this subpart; and

(2) Furnish satisfactory proof that he or she has met the requirements for training and competence of STCW Regulation, VI/2 (incorporated by reference in § 12.01-3), paragraph 2, and the appropriate requirements of Section A-VI/2 of the STCW Code.

Subpart 12.13—Persons Designated To Provide Medical Care on Board Ship

SOURCE: CGD 95-062, 62 FR 34537, June 26, 1997, unless otherwise noted.

§ 12.13-1 Documentary evidence required.

Each person designated to provide medical first aid on board ship, or to take charge of medical care on board ship, shall hold documentary evidence attesting that the person has attended

a course of training in medical first aid or medical care, as appropriate.

[CGD 95-062, 62 FR 34537, June 26, 1997, as amended by USCG-2004-18884, 69 FR 58343, Sept. 30, 2004]

§ 12.13-3 Basis of documentary evidence.

The Officer in Charge, Marine Inspection will issue such documentary evidence to the person, or endorse his or her license or document, on being satisfied that the training required under section 12.13-1 of this section establishes that he or she meets the standards of competence set out in STCW Regulation VI/4 and Section A-VI/4 of the STCW Code.

Subpart 12.15—Qualified Member of the Engine Department

§ 12.15-1 Certification required.

(a) Every person employed in a rating as qualified member of the engine department on any United States vessel requiring certificated qualified members of the engine department shall produce a certificate as qualified member of the engine department to the shipping commissioner, United States Collector or Deputy Collector of Customs, or master before signing articles of agreement.

(b) No certificate as qualified member of the engine department is required of any person employed on any unrigged vessel, except seagoing barges.

§ 12.15-3 General requirements.

(a) A qualified member of the engine department is any person below the rating of licensed officer and above the rating of coal passer or wiper, who holds a certificate of service as such qualified member of the engine department issued by the Coast Guard or predecessor authority.

(b) For purposes of administering this part the rating of *assistant electrician* is considered a rating not above that of coal passer or wiper, but equal thereto.

(c) An applicant, to be eligible for certification as qualified member of the engine department, shall be able to

§ 12.15-5

speak and understand the English language as would be required in the rating of qualified member of the engine department and in an emergency aboard ship.

(d) After July 31, 1998, an STCW endorsement valid for any period on or after February 1, 2002, will be issued or renewed only when the candidate for certification as a qualified member of the engine department also produces satisfactory evidence, on the basis of assessment of a practical demonstration of skills and abilities, of having achieved or maintained within the previous 5 years the minimum standards of competence for the following 4 areas of basic safety:

(1) Personal survival techniques as set out in table A-VI/1-1 of the STCW Code (incorporated by reference in §12.01-3).

(2) Fire prevention and fire-fighting as set out in table A-VI/1-2 of the STCW Code.

(3) Elementary first aid as set out in table A-VI/1-3 of the STCW Code.

(4) Personal safety and social responsibilities as set out in table A-VI/1-4 of the STCW Code.

(e) After July 31, 1998 an STCW endorsement that is valid for any period on or after February 1, 2002, will be issued or renewed only when the candidate for certification as a qualified member of the engine department meets the standards of competence set out in STCW Regulation III/4 and Section A-III/4 of the STCW Code, if the candidate will be serving as a rating forming part of a watch in a manned engine-room, or designated to perform duties in a periodically unmanned engine-room, on a seagoing ship driven by main propulsion machinery of 750 kW [1,000 hp] propulsion power or more.

§ 12.15-5 Physical requirements.

(a) An applicant for a certificate of service as a qualified member of the engine department shall present a certificate of a medical officer of the United States Public Health Service, or other reputable physician attesting

46 CFR Ch. I (10-1-06 Edition)

that his eyesight, hearing, and physical condition are such that he can perform the duties required of a qualified member of the engine department.

(b) The medical examination for qualified member of the engine department is the same as for an original license as engineer, as set forth in §10.205 of this subchapter. If the applicant is in possession of an unexpired license, the Officer in Charge, Marine Inspection, may waive the requirement for a physical examination.

(c) An applicant holding a certificate of service for a particular rating as qualified member of the engine department and desiring certification for another rating covered by this same form of certificate may qualify therefor without a physical examination unless the Officer in Charge, Marine Inspection, finds that the applicant obviously suffers from some physical or mental infirmity to a degree that would render him incompetent to perform the ordinary duties of a qualified member of the engine department. In this event the applicant shall be required to undergo an examination to determine his competency.

§ 12.15-7 Service or training requirements.

(a) An applicant for a certificate of service as qualified member of the engine department shall furnish the Coast Guard proof of qualification based on six months' service in a rating at least equal to that of wiper or coal passer.

(b) Training programs approved by the Commanding Officer, National Maritime Center, may be substituted for the required service at sea in accordance with the following:

(1) A graduate of a school ship may be rated as qualified member of the engine department upon satisfactory completion of the course of instruction. For this purpose, *school ship* is interpreted to mean an institution which offers a complete course of instruction, including a period of sea training, in the skills appropriate to the rating of
